Welcome to

WIRE BELT SYSTEMS

Delivering Excellence in Wire Belting Solutions. Since its establishment in 1995, Wire Belt Systems has emerged as the foremost provider of premium Wire Belting solutions across Southern Africa.

Strategically located just north of Durban, a mere 10-minute drive from King Shaka International Airport, our state-of-the-art warehouse is stocked with an extensive range of popular and standard belt sizes. This enables us to swiftly and efficiently dispatch orders within the SADC region, ensuring prompt delivery to our valued clientele.

Our commitment to delivering high-quality products is matched by our comprehensive technical support services, ensuring that our customers receive unparalleled assistance and guidance every step of the way.

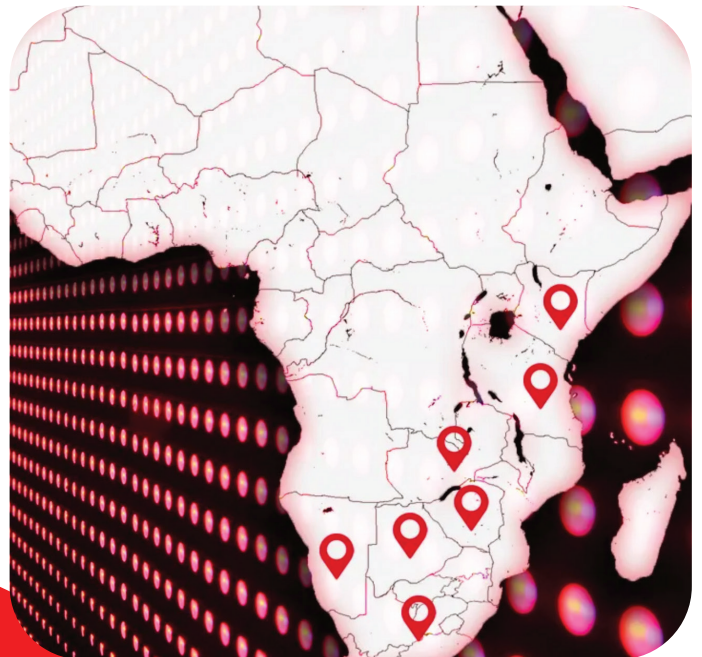

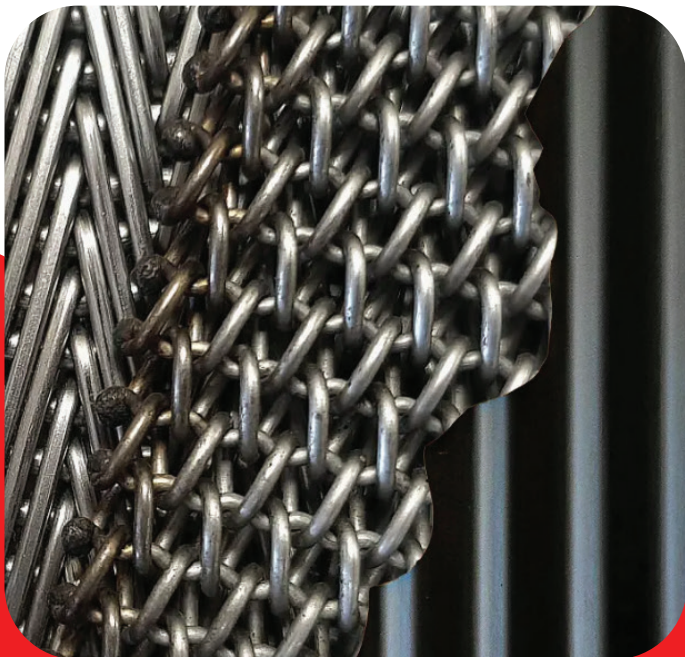

Experience the difference with Wire Belt Systems: Where quality, efficiency, and competitive pricing converge to exceed your expectations.

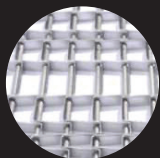

OVER 25 YEARS

In The Industry

Our **PRODUCTS**

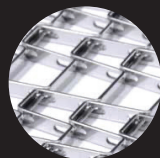

PACTITAN / HONEYCOMB BELTS

Heavy Duty Belts Used to Carry Heavier Loads

DURAHINGE / FLEX BELTS

For Breaders & Enrobing Lines

VISION

To be the premier provider of innovative and reliable wire belting solutions, recognised globally for our commitment to quality, excellence, and customer satisfaction.

MISSION

At Wire Belt Systems, our mission is to deliver superior wire belting products and services that meet the diverse needs of our customers.

We strive to achieve this by consistently upholding the highest standards of quality, innovation, and reliability. Through continuous improvement and dedication to customer-centric values, we aim to exceed expectations and foster long-term partnerships built on trust and mutual success.

Our **VALUES**

QUALITY

We are dedicated to delivering products and services of the highest quality

CUSTOMER SATISFACTION

We are committed to understanding your needs, exceeding your expectations and building lasting relationships.

INNOVATION

By continually exploring new ideas, technologies, and processes, we strive to stay at the forefront of our industry and deliver cutting-edge solutions

INTEGRITY

We conduct our business with honesty, transparency, and integrity, maintaining the highest ethical standards

AFFORDABILITY

We foster a culture of creating designs that are top quality at affordable pricing

SUPPORT

We hold ourselves and each other accountable for technical support once our products have been purchased

Our **CLIENTS**

At Wire Belt Systems, our clients are the cornerstone of our business. We value each relationship deeply, understanding that their success is intrinsically linked to ours. With a commitment to excellence and customer-centricity, we prioritise understanding their unique needs and challenges, ensuring that our wire belting solutions exceed expectations.

"Conveying Quality. Delivering Trust."

TESTIMONIALS

Our clients' testimonials speak volumes about the quality and reliability of Wire Belt Systems' products and services. They highlight how our tailored approach, combined with prompt and responsive support, has positively impacted their operations, driving efficiency, and profitability.

These testimonials serve as a testament to our dedication to excellence and reaffirm our position as the preferred choice for wire belting solutions in Southern Africa and beyond.

Friendly staff and great service delivery. Will definitely recommend Wire Belt Systems!

Well done Guys. Keep up the good work!
